

Getting to Your Surgical Appointment

Step 1:

Enter the Artesia General Hospital campus through the northeast entrance off 10th Street. Look for a monument sign surrounded by stones that says "Northeast Entrance & Receiving".

Step 2:

On the east side of the hospital is a Materials and Receiving street with a sign that says "Authorized Personnel Only". You are authorized, but please remember to obey the campus-wide speed limit of 10 mph.

Step 3:

The northeast parking lot is on your left along the Materials and Receiving street, just before the large boulder.

Step 4:

Patient parking is to the left, and handicap parking is to the right, clearly labeled.

Step 5:

You may enter the building from 5 a.m. to 4 p.m., at which time you will be registered for your procedure. After hours, you will have to enter through the main hospital entrance.
